Enthusiastic, loud mouthed, young man who is trained in martial arts and spouts Eastern Wisdom advice.
Suffers the need to steal whatever he can get his hands on.

Possessions taken from me: 4 Shurikans

Stunning Fist:

- Declare you are using his feat before you make your attack roll
- Foe damaged by your unarmed attack must make a Fortitude saving throw vs DC 17
- Failure means foe is stunned for 1 round. A stunned character can't take actions, loses any Dexterity bonus to AC, and takes a -2 penalty to AC.
- No more than once per round.
- Creature's immune to critical hits cannot be stunned.

Autobiography: I am wisdom of water on leaf. Dance like butterfly, sting like bee. Don't Panic! Yeah, I talk lot, and cause I'm so short I got to talk LOUD, you know, so people can hear me! I like to keep watch over people, give them advice, tell them how the great wisdom of the ages could help them in their lives! I do have one problem, I can't stop picking things up. I don't keep things, but if something's just laying out in the open, where anyone can see it, or in someone's pouch... don't you want to know what's in there?

Recently my father brought me into the Ashram, and he told me to sit. He told me that he was disappointed in me for stealing things. Then my father said we must go harvesting mushrooms, and we went outside, constantly searching the sky on a dark, cloudy, stormy night. I don't remember anything after that. The next thing I knew, here I was in hospital with pink glowing eyes!

Those who know do not speak. Those who speak do not know.

When you are content to be simply yourself and don't compare or compete, everyone will respect you.

The truth is not always beautiful, nor beautiful words the truth.

A man with outward courage dares to die; a man with inner courage dares to live.

In the darkest times, hope is something you give yourself.

In the time since you were incarcerated, you have formed the following brief impressions of the 5 other people locked up with you:

INTERACTIONS:

- Doc – Swaggering, coughing, confident cowboy cool, I like him. There is something about him I trust, and rely on. He is someone I stick to, and deep down he needs my advice.
- Gothika – She a dark soul... I need to cheer her up. I can tell I annoy her... But deep down I think she likes me and wants my advice.
- Thombold – Big man with a big heart. I can see through all the bluff and swagger. He true hero, but he needs some advice.
- Taylor – I feel for this... guy. Or is it a girl? Got to be a guy. He seem scared, can't speak well. I have lots of advice for him if only they listen.
- Kitty – I think she is fascinating, but she likes to talk and I like to talk, so I have a bit of a competitive streak wanting to talk over her. She seems equally determined to talk over me. I think she doesn't like me, but I don't care, she doesn't know me, and she like me when I help her.
